A Year Unfolding by Angela Harding

This stunning work, the first book that is solely dedicated to Angela's art, is a celebration of her beautiful prints, and a glimpse into her detailed and meticulous process. A Year Unfolding is a journey through Angela's year in nature watching the seasons unfold in front of her from her studio in Rutland, and giving the reader detail into how nature transforms and evolves over the course of the year. A Year Unfolding also tells the stories behind some of Angela's most popular images, giving context to Angela's celebrated work, as well as new art created specifically for the book.
