

Gardners Press Release – March 2020

It is with great sadness that we have taken the difficult decision to temporarily suspend taking new orders for physical product at Gardners due to the current Coronavirus Virus Pandemic, however our digital services will be unaffected. We will be working hard to clear all outstanding orders over the coming days, so any existing orders should be processed.

We have continued over the past few weeks providing our usual high quality service to the Book and Entertainment trades around the world, however this is becoming increasingly more difficult as this crisis develops. The safety and well-being of our amazing workforce is the primary reason for making this decision.

We will be looking to see what key services we can turn back on as soon as possible, and will be updating all our customers and suppliers on regular basis as to the progress we are making.

I would like to take this opportunity to thank all of our customers and suppliers for their ongoing support and business and we hope to be back up and running as soon as possible.

We hope you and your families are well and safe.
